

2019 VP Platform Statement – Krisi Gindelsperger

Krisi Gindelsperger serves as the Vice-President/National Director Practice Providers for USACS. Graduating from Gannon University with her Bachelor of Science and Master of Physician Assistant Studies, Krisi has been practicing as an EMPA for 15 years. She has worked for USACS for 9 years. Before becoming the VP-National Director of APPs, she has held a variety of leadership positions.

Krisi has been deeply involved in PA leadership, leadership development, education and advocacy for well over a decade. Her passion centers around the career development and advancement of PAs in practice both clinically and in leadership roles.

In addition to her leadership work experience she has served in a variety of volunteer organizations to improve and advance the PA profession. Serving on the Professional Education Commission and Conference Planning Workgroup for the American Academy of Physician Assistants for three years, and on the Board of Directors of the Maryland Academy of Physician Assistants for 13 years as CME Director, she helps further the education of PAs. Krisi also served as Director at Large for the Society of Emergency Medicine Physician Assistants for one year before serving on the Executive Board for three years, of which time she served as President in 2016-2017. Most recently, she has begun collaborating with CHLM of AAPA, offering lectures for the Leadership and Management Certificate program and helping to plan the Executive Leadership Conference. She continues to work closely with ACEP, AAPA, and NCCPA on issues surrounding practice laws, scope of practice, advocacy, education, and other opportunities for collaboration.

As a PA now practicing in Ohio, she is passionate about helping further the profession here. She is interested in applying her extensive experience and service in assisting OAPA, by serving as Vice-President.
