APRN/PA Pediatric  
Pharmacology and Law Update

Friday, Oct. 4, 2019

Quaker Station  
135 South Broadway  
Akron, OH 44325

Continuing Education

This program is not yet approved for CME credit. Conference organizers plan to request 6 AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

This program is pending approval for 6 contact hours of pharmacology CE of which one hour is Schedule II pharmacology specific and 1 additional hour of Category A CE Law is available.

Note: The CE/CME evaluation will be available for 30 days via CME Tracker. At the closure of this period, no CE/CME will be awarded and certificates cannot be reprinted.

Akron Children’s Hospital is an approved provider of continuing education nursing education by the Ohio Nurses Association (OBN-001-921) an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Providers should only claim credit to commensurate with the extent of their participation in the activity.

Conference Objectives

- 1. Define the criteria for diagnosis of hyperlipidemia in children, pharmacologic management and criteria for referral to cardiology.
- 2. Discuss the history of diabetes medications and injectable/oral hypoglycemic medications.
- 3. Discuss new medications being used for pediatric conditions, mechanism of action, cost effectiveness, no longer recommended medications and new black box warnings.
- 4. Describe medications considered safe for breastfeeding moms, medications that need to be avoided during breastfeeding and ideas to increase supply.
- 5. Identify the Schedule II medication drug class, discuss the commonly used drugs that have potential for abuse and describe treatment protocols for overdose in the emergency department/outpatient setting.
- 6. Discuss receiving/responding to a subpoena per ORC 4723.29, answering the question about whether to testify per ORC 2317.02 and responsibilities for attending the hearing.
- 7. Discuss the appropriate pharmacologic management of seizures/febrile seizures, including medications that impact antiepileptic medications and the child on the ketogenic diet.

Silent Auction

Gift baskets and donations from community organizations will be available during this year’s silent auction with proceeds supporting the Akron Children’s Hospital River of Life Fund. This fund supports families coping with the extreme financial stress of caring for a child with a complex, chronic or serious medical condition and assists with urgent expenses to allow families to stay at their child’s bedside during a catastrophic illness. Cash or check payment only.

Who Should Attend

Nurse practitioners, nurse anesthetists, clinical nurse specialists, physician assistants, physicians, registered nurses, and other professionals who work with children will benefit from attending this conference.

Meals and Refreshments

Breakfast, lunch and refreshments, which have vegetarian/gluten free options, are included with the sessions. If you have special dietary needs, please contact the Advanced Practice Center at 330-543-1911.

Special Accommodations

If you are in need of special accommodations due to a disability, please notify the Advanced Practice Center no later than Sept. 20, 2019 at 330-543-1911.
