Presenting the 10th Annual Primary Care Update

Hosted by Cleveland Clinic Community Care

Primary care clinicians face the almost overwhelming task of staying abreast of current research in the various medical disciplines and assessing it for clinical implications. This challenge, in turn, creates knowledge and competency gaps in many primary care clinicians. This CME-certified, live symposium is designed to review best practices that highlight the latest therapies, procedures, and diagnostics in primary care.

Featured Keynote Speaker

Christine Sinsky, MD
Vice President, Professional Satisfaction
American Medical Association

Keynote Presentation - The Positive Future of Primary Care

Who Should Attend?

This activity is designed for family physicians, general internists, nurses, nurse practitioners, physician assistants, and other health care professionals who have an interest in primary care.

Course Objectives

- Summarize the most recently published data from research and clinical trials and discuss their clinical implications for primary care medicine.
- Integrate a model for shared decision making for older adults with multiple chronic comorbidities.
- Critically review the evidence on pre-exposure prophylaxis for HIV and AIDS.
- Discuss the impact of a patient's race on the management of kidney disease.
- Review the clinical implications of recently published research on topical areas of interest to primary care practitioners, including diabetes, weight management, adult attention deficit disorders, treatment-resistant depression, heart failure, delayed gastric emptying, and dysautonomia conditions.

Activity Co-Directors

Information

For further information about this activity, contact the Cleveland Clinic Center for Continuing Education at:

Local: 216.444.9990

Website: ccfcme.org/primarycare22

Faculty Disclosure

The Cleveland Clinic Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Integrity and Independence requiring mitigation of all faculty conflicts of interest. Faculty declaring a relevant financial relationship will be identified in the activity syllabus.

Accreditation

In support of improving patient care, Cleveland Clinic Center for Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Cleveland Clinic Center for Continuing Education designates this live activity for a maximum of 10.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

American Nurses Credentialing Center (ANCC)

Cleveland Clinic Center for Continuing Education designates this live activity for a maximum of 10.5 ANCC Contact Hours.

American Academy of PAs (AAPA)

Cleveland Clinic Center for Continuing Education has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 10.5 AAPA Category 1 CME credits.

PAs should only claim credit commensurate with the extent of their participation.

American Academy of Family Physicians

The AAFP has reviewed 10th Annual Primary Care Update and deemed it acceptable for up to 10.50 Live AAFP Prescribed credits. Term of Approval is from 11/10/2022 to 11/11/2022. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to *AMA PRA Category 1 credit(s)™* toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

American Board of Internal Medicine (MOC)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Certificate of Participation

A certificate of participation will be provided to other health care professionals for requesting credits in accordance with their professional boards and/or associations.

Americans with Disabilities Act

The Cleveland Clinic Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.
