

DO YOU HAVE QUESTIONS ABOUT BEHAVIORAL HEALTH?

Ohio Chapter

INCORPORATED IN OHIO

American Academy of Pediatrics
DEDICATED TO THE HEALTH OF ALL CHILDREN®

I have questions about managing behavioral health medications for anxiety and depression.

Where can I refer this patient for counseling?

Is this a case I can manage in my practice?

What should I do now that I have screening results?

OPPAL HAS ANSWERS!

OPPAL CONSULTATION LINE FOR PRIMARY CARE CLINICIANS HAS LAUNCHED!

(614) 605-1511

Available Monday – Friday: 9:30 a.m. – 4:30 p.m.

The Ohio Pediatric Psychiatry Access Line (OPPAL) is a telephone helpline that provides primary care clinicians with same-day, convenient, peer-to-peer consultation with a child psychiatrist.

The consultation line assists and supports Ohio's pediatric primary care providers with referral navigation for patients that require behavioral healthcare outside of the pediatric medical home.

OPPAL also provides educational resources for pediatric primary care clinicians to help support the essential behavioral healthcare work they do every day in Ohio.

CALL (614) 605-1511 FOR YOUR BEHAVIORAL HEALTH CONSULTATION NEEDS OR TO ENROLL IN OPPAL TODAY!

LEARN MORE AT: <https://ohioaap.org/oppal>

The Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS) provided financial support for OPPAL. The award provided 51% of total costs and totaled \$1,327,033. The contents are those of the author. They may not reflect the policies of HRSA, HHS, or the U.S. Government.
